APPLICATION FOR PERMIT FOR PRIVATE USE
OF WATER FROM FIRE HYDRANTS
(Resolution No. 2010-6)

DATE OF APPLICATION_____

Contractors and other members of the public have used the fire hydrants within the City to provide them with water for various purposes not related to fire suppression. The mayor and city council adopted Resolution 2010-6 on June 10, 2010, to regulate such use and for compensation to the city for such use. The fire hydrant at the northwest corner of Moon Park on Railroad Avenue is designated as the water source for all commercial trucks. ANY HOOKUP MUST HAVE A FUNCTIONING BACK FLOW DEVICE.
