WEED ABATEMENT: The city would like to remind its property owners to please keep weeds and grass trimmed to help avoid fire hazards and insect infestations. If contacted and not taken care of, the city may do so at a cost to you.

TREE TRIMMING: The city has been trimming trees along some roadways. All trees must be trimmed up to 10 feet from the ground and down to 3 feet maximum height for bushes. We would appreciate citizens being mindful of this requirement to keep vegetation trimmed back from roads.

PLEASE REMOVE NON-WORKING VEHICLES AND MACHINERY FROM FRONT YARDS: See Sugar City Code 3-2-3.

OCTOBER TREATS IN THE STREETS: The city needs volunteers to help with the October celebration. If interested in volunteering or being a vendor, please contact city hall.

PARKING CODE: We have noticed that many of the city streets and alleys are being used to park campers and trailers. Please park and place all personal items on your own property, not in alleys or on streets.

6-1-2 Parking Regulations. "... no person shall stop, stand, park or deposit a trailer, shipping container, storage container, drop box or any other non-vehicular item in and on street parking spaces, for a period longer than one hundred twenty (120) consecutive hours, i.e., 5 days.

5-2-6 G Recreational Vehicle Parking: No person shall park an unoccupied recreational vehicle as defined by Idaho Code section 49-119 on any residentially zoned street or alley right of way for more than seven (7) consecutive days and no more than fourteen (14) days cumulative total in any one calendar year....

ICE RINK COMING THIS WINTER: The city council approved an application for an ice rink at the tennis courts in Neibaur Park this winter.

ATV LAWS: With summer fast approaching the use of ATV such as four-wheelers has increased. A reminder that driving unregistered ATVs on city roads is against the law. ATV may be driven on city roads if they comply with the following:

- Vehicle must be licensed
- Operator must be **licensed** and be carrying license while driving
- Helmets must be worn under the age of 18
- ATVs cannot be driven on highways or freeways (which includes Center Street in Sugar City)
- Operators must observe ALL roadway laws
- ATVs are not allowed in **city parks** or on **schoolgrounds**

Please educate your children on these rules to avoid citations.
