SIDEWALKS AND PARKING IN CITY: There have been people parking or partially parking vehicles and trailers on sidewalks. SUGAR CITY CODE 5-2-6 PROHIBITED PARKING, states in part that no person shall park on a sidewalk area. This also includes sidewalk areas in front of driveways. To avoid city citations, please see that all sidewalk areas are clear and handicap accessible. No part of a car should be on a sidewalk. Other items making it difficult for wheelchair access should also be removed from sidewalks. Please review the city's Parking Ordinance for further information.

PARKING CODE: We have noticed that many of the city streets and alleys are being used to park campers and trailers. Please park and place all personal items on your own property, not in alleys or on streets.

6-1-2 Parking Regulations. "... no person shall stop, stand, park or deposit a trailer, shipping container, storage container, drop box or any other non-vehicular item in and on street parking spaces, for a period longer than one hundred twenty (120) consecutive hours, i.e., 5 days.
