- Dates to Remember:**
- May 2** – Planning & Zoning 7:00 pm

**All city meetings are subject to change. Citizens are invited to attend Planning & Zoning and City Council Meetings. Agendas are on the city website and on the door at city hall 48 hours prior to the meetings. You may call city hall to ask what items are being discussed. **

FYBERCOM INTERNET: The city has joined with Madison County and Fybercom to provide fiber service to areas of the city not already served by a fiber provider. One benefit to the city is our service will be installed before their teams start working in the county with the project scheduled for completion before the end of Summer. Many of you have already received notices of the work that has started.

Watch for door hangers that will explain what your options are and how to participate. For more information or to find answers to your questions go to: <https://fybercom.net/>.

SUCCESSFUL EASTER CELEBRATION: Thanks so much to all of those who donated and participated in our Easter Celebration. We had a great turnout and a lot of fun!

PLANNING & ZONING PUBLIC HEARINGS: April 18th at 7 p.m. concerning a Special Use permit for property located at 140 Business Park. The request is for the building to be used as a warehouse. 2nd public hearing is to adopt a new zone within city code. The zone will be "Rural Ranchette". For further information, contact city hall at 208-356-7561.

SPRINKLER SYSTEMS: Backflow preventers are required on all sprinkler systems. If you didn't have a test on your sprinkler system backflow preventer done last year, please have one done this year and return your report to City Hall or email it to ajacobson@sugarcityidaho.gov. Even numbered addresses are to be tested this. If you have an odd numbered address and did not test last year, it needs to be tested this year also. Businesses are required to test every year. The deadline to have these completed is **July 1st** to avoid water services from being terminated. If you have an appointment to have your test done and it is after the 1st of July, please notify the city at ajacobson@sugarcityidaho.gov with the date it is scheduled and with whom. Thank you!

Do Not Flush!!

- . Sanitary Wipes/ Wet Wipes
- . Feminine Hygiene Products
- . Diapers
- . Delicates
- . Intimate Items

Public Works has asked all residents to not flush these items down the toilet. The City's system is experiencing excess damage from these items being sent down the system. The City's equipment is **not able** to handle these items and will cause an unneeded expense to repair/replace and could result utilities fees to be raised to cover the cost of excess damage!
