 We need your talent!! We will have a talent show at 12:30 during Sugar Days. Please sign up and share your talents!

**SCHOOL IS OUT!
SLOW DOWN!**

**WATCH FOR CHILDREN
ON THE ROADS.**

The city has been receiving calls from concerned citizens about children playing in the roads. Teach children to use crosswalks and lights and most important **look both ways** before stepping into the road. Not all cars are stopping for stop signs. Be extra vigilant around road construction!

SPRINKLER SYSTEMS: Backflow preventers are required on all sprinkler systems. If you didn't have a test on your sprinkler system backflow preventer done last year, please have one done this year and return your report to City Hall or email it to ajacobson@sugarcityidaho.gov. Even numbered addresses are to be tested this year. If you have an odd numbered address and did not test last year, it needs to be tested this year also. Businesses are required to test every year. The deadline to have these completed is **July 1st** to avoid water services from being terminated. If test is not scheduled or completed by then, the city will hire a contractor to do it and charge the homeowner. If you have an appointment to have your test done and it is after the 1st of July, please notify the city at ajacobson@sugarcityidaho.gov with the date it is scheduled and with whom. Thank you!

CURFEW: Parents reminder curfew is 11 pm to 5 am Sunday -Thursday and 12:30 am to 5 am Friday - Saturday. Violation is a misdemeanor for minor and for guardian. See SCC 4-3.

ATV LAWS: With summer fast approaching the use of ATV such as four-wheelers has increased. A reminder that driving unregistered ATVs on city roads is against the law. ATV may be driven on city roads if they comply with the following:

- Vehicle must be licensed
- Operator must be **licensed** and be carrying license while driving
- Helmets must be worn under the age of 18
- ATVs cannot be driven on highways or freeways (which includes Center Street in Sugar City)
- Operators must observe ALL roadway laws
- ATVs are not allowed in city parks or on schoolgrounds
