SCHOOL STARTS AUG 21ST

Slow Down & Watch for Children on the Roads.

Teach children to use crosswalks and lights and most important, **look both ways** before stepping into the road. Do not assume all cars will stop for cross walks or lights.

TRIMMING OF TREES & BUSHES:

All trees must be trimmed up to 12 feet from the ground and down to 3 feet maximum height for bushes along the streets. We would appreciate citizens being mindful of this requirement to keep vegetation trimmed back from streets. Trees must be trimmed by August 12th or the city will be trimming them.
