NEW TENNIS COURTS: The tennis courts are ready for day use. Please see our city website or Facebook page or call city hall for details on scheduling their use.

WATER METERS: Last meter reading of this year will be taken at the end of this month. To keep your average utility bill for the winter lower, stop outdoor watering by October 25th. **MAKE SURE METERS ARE UNCOVERED!** The public works crew has had problems reading meters because some are covered. Please do not store cars, trailers, woodpiles or other objects on top of city meters. This takes the crew more time to do their job efficiently.

FENCE PERMIT REMINDER: Residences are building fences with a permit. City code requires that you get a permit before installing new fences. Contact city hall.

BURNING WITHIN THE CITY: County guidelines must be followed. You can register and read regulations for burning at the following website: <https://fdmadison.org/>

FALL TREE PRUNING: While trimming your trees and bushes this fall, please remember to trim along the streets and back from street signs. Branches along streets must be trimmed **twelve (12) feet up** off the ground. Bushes along the streets must be trimmed down to a height of no more than **three (3) feet**.

REMINDER: There is no longer a city cleanup. Do not place anything, anytime in alleys. To avoid a \$150 fine, please park and place all personal items on your own property, not in alleys.
