- Bring spending money to purchase crafts, food and drinks from local businesses and vendors.

*****This event is not replacing the annual Trunk or Treat that happens on Halloween that is put on by the Community, this is a separate event.*****

WATER METERS: Last meter reading of this year will be taken at the end of this month. To keep your average utility bill for the winter lower, **stop outdoor watering by October 25th.** **MAKE SURE METERS ARE UNCOVERED!** The public works crew has had problems reading meters because some are covered. Please do not store cars, trailers, woodpiles or other objects on top of city meters. This takes the crew more time to do their job efficiently.

BURNING WITHIN THE CITY: County guidelines must be followed. You can register and read regulations for burning at the following website: <https://fdmadison.org/>
