

# Sugar City's March Newsletter

## Welcome March! Welcome Spring!

March is buzzing with excitement, just like a garden full of blooming spring flowers! This month, we spring forward with daylight saving time, celebrate the luck of the Irish on St. Patrick's Day, embrace the first day of Spring, and gear up for our favorite Easter Egg Hunt extravaganza. Let the fun begin!

### Meter Readings & Parking

Get ready for some meter madness—the city is gearing up to start reading those meters again at the end of March! Your April bill will give you the lowdown on your real winter usage.

And guess what? You can now park overnight on the street, so no more midnight parking spot hunts. Thanks for being awesome and cooperating!

### Sprinkler Systems

Get ready for the annual backflow testing! To keep our water supply squeaky clean and contamination-free, it's crucial to test those backflow preventers every year. Businesses, you're on the hook every year, no excuses! For homes, it's a numbers game: even addresses, it's your turn this year, and odd-numbered folks, you'll get your chance next year.

If you missed getting your backflow tested last year and were supposed to, now's the time to make it right. The deadline is July 1st, so mark your calendars! Send your test results to [ajacobson@sugarcityidaho.gov](mailto:ajacobson@sugarcityidaho.gov), mail them, or hand-deliver them like the hero you are.

Remember, backflow preventers are a must on all sprinkler systems—they're the unsung heroes keeping our water fresh and chlorine free! Let's keep Sugar City's water in tip-top shape! 💧

**\*We have our newest member of the Public Works Department, Cache Jagielski.**

### Easter Egg Hunt Event

Hop on over to Heritage Park on Saturday, March 28th, for our egg-citing annual Easter Egg Hunt! This year, we're pulling out all the stops with a variety of food, crafts, and vendors to make the day egg-ceptionally fun. And yes, the Easter Bunny will be ready for photo ops—just make sure he doesn't photobomb your selfies!

- Each child can gather up \*\*10 Easter eggs\*\* and \*\*1 golden egg\*\*.
- The golden egg can be traded for a prize that's more exciting than finding an extra fry at the bottom of your takeout bag!

Our mission? To ensure everyone has an egg-straordinary day of fun and laughter.

We can't wait to see you there, and remember, no egg left behind!

### Important Happenings
